

Legal Accounting with Cashroom

Cashroom provides a full accounting service to the legal profession - from day to day transactional processing to month end reconciliations and regulatory compliance, management accounts, credit control and all the way to year end statutory accounts and basic tax compliance.

Legal Bookkeeping

- Ensure compliance, reduce costs and become more efficient

Payroll

- Cashroom takes care of all aspects of your payroll so you can focus on what matters

Management Accounts

- Data insights you need to help run your firm, FD or FC support if required

Financial Reporting

- Annual and regulatory compliance covered

Credit Control

- Gain certainty, clarity, flexibility and control

Consultancy

- Bring time, resource and expertise to re-design your accounting processes

Benefits of working with Cashroom

- ✓ Frees up lawyers to spend more time fee-earning and winning new business
- ✓ Increased resource - you don't need to worry about holiday cover, parental leave etc
- ✓ Reduce costs and accelerate organisational transformation
- ✓ You only ever pay for the level of service and support you need and services can be scaled up or down based on demands
- ✓ Improves disaster recovery planning with remote support available whenever you need it
- ✓ Reduce risk, ensure compliance and improve efficiency

Many of our accountants and bookkeepers have worked in finance functions in law firms meaning they have first hand experience working for firms like you. Our expertise in the sector makes Cashroom an ideal partner for your outsourced finance function.
